

Class Descriptions

HIIT Cardio- Maximize fat burn and strengthen the body through dynamic total body movements with High Intensity Interval Training!

Kettlebell - Functional, compound exercises work multiple muscle groups simultaneously, developing strength and endurance along with efficient calorie expenditure.

Chair Yoga— A gentle form of yoga that is practiced sitting and standing using a chair for support. Improve your flexibility and blood flow through this relaxing class!

Motion Cage - Our own functional movement training system composed of various exercise stations and geared toward maximum calorie burn. Organic motions develop a performance advantage across a broad spectrum of physical activities.

On the Ball - Intensify your workout and tighten your core. Fitness tasks performed on the stability ball encourage engagement throughout the entire range of motion.

Yoga Fusion- This class combines strength training with weights with an intense yoga workout. No class is the same!

Hatha Yoga— Promote blood flow and reconnect with your primal energy systems in this class. A great flow with even better breathing will leave you feeling amazing after this class.

Easy Yoga Stretch - Focus on the basics of breathing and personal movement in this class. Sometimes a gentle stretch can bring greater results when your body is tight!

Water Walking & Strength – Increase your cardiovascular conditioning and mobility in this aerobic based aquatic class!

Pole Fitness - A versatile class that will increase your overall strength while increasing your endurance, with grips, climbs, spins, and inversions. Get fit while having fun!

Cycle Fusion- A high intensity class that incorporates Spin cycles and body weight exercises. Increase your endurance and break a sweat all at once!

Pound- Sweat, sculpt and rock out with pound! Pound is a full body cardio jam session that will make you sweat while sculpting your body as you rock out to your favorite songs!

Core Blast- This 30 minute all-out class is designed to focus on strengthening and toning your core muscles. Be ready for a total abdominal burn!

Zumba- This Latin music inspired dance fitness class will get you working up a sweat while dancing to choreographed dance workouts!

Core & Stretch- This hour long class is designed to work all of your core muscles followed by a deep total body stretch. You will be taught how to properly stretch all of your muscles for recovery.

Spin Plus- Have a different workout every class! The first 30 minutes of this class is a mixture between weights, HIIT, endurance training, and body weight exercises. The last 30 minutes of the class is an all-out Spin workout!

Total Body Blast- Get a complete workout from head to toe in the 45 minute long workout that is a combination of weights, bands, kettlebells, and cardio exercises. This calorie burning class is sure to leave you feeling accomplished and sweaty!

Cardio Boxing- This 45 minute class includes all elements of boxing without the equipment. Punch, kick, squat, and jump through this energetic total body class.

Tabata- Tabata is 20 seconds of hard work, followed by 10 seconds of rest of 8 rounds. Body weight and cardio exercises are used to get a complete calorie torching workout in 45 minutes!

SHINE- This dance fitness class is rooted in traditional dance such as Jazz, Hip Hop, and Ballet. The routines are easy to follow, fun, and choreographed to all top 40 Hits!

Turf Training- Train like an athlete in this 45 minute class on the turf! This class offers a dynamic and functional workout with weights, agility drills, HIIT, bands, and much more!
